CAPABILITY STATEMENT

Michael Franco Inc. is a Third-generation Construction firm in El Paso, TX. The company's original focus in 2005 was home building—Michael is a third generation Builder and grew up in the family business. After several years of home building, in 2014 the firm successfully completed the last of its residential projects in the Midland/ Odessa TX market. **The firm's residential portfolio was successful, but this chapter has been closed. The singular focus of the firm-- present and future—is its progression towards more significant government projects.** The company is bonded, SBA (8a) and HUB Zone certified, and has completed several progressive government projects. A Joint Venture ([Franco-Synergy Joint Venture, FSJV](#)), and **Mentor/Protégé Agreement (MPA) has been approved by the SBA.** Synergy Project Consultants Inc. is a successful 8(a) graduate and will act as Mentor. Separately--a second successful Joint Venture was formed ([Franco-Vasquez Joint Venture, FVJV](#)), and Franco-Vasquez Joint Venture was recently awarded 2 Grounds Maintenance Contracts (#18,19 below). FVJV is the union of Michael Franco Inc. and G2-V Enterprises Inc. G2-V Enterprises Inc. is also a successful 8(a) graduate firm.
